Embassy Suites by Hilton Philadelphia Valley Forge Completes \$18M Renovation Elevating the Guest Experience

The multi-phase renovation now complete with the addition of a new restaurant

The 229-room Embassy Suites by Hilton Philadelphia Valley Forge is excited to announce the completion of the last phase of a major, \$18M renovation. The renovation includes updates to all guest suites, the addition of a state-of-the-art fitness center, a redesigned lobby and bar area, and the introduction of a new restaurant concept to the Greater Philadelphia area.

A Multi-Phase Renovation Now Complete

All guest suites have been refreshed with new furnishings, including plush beds and modern décor. The fitness center features the latest exercise equipment, providing guests with a convenient and enjoyable way to stay active during their stay. The redesigned lobby and bar area offers a stylish and inviting space for guests to socialize and unwind. In addition to the renovation, the hotel will continue to offer the signature amenities that have made Embassy Suites a favorite among travelers, including a complimentary cooked-to-order breakfast and evening reception with drinks and snacks.

This Philadelphia Main Line Hilton hotel has been a recognizable mainstay in the region for some time, and was acquired by Texas-based Colmar Hotels in 2018. *"We are thrilled to have completed the final phase of our enhancements, offering our guests an even more comfortable and memorable experience,"* said Walter Levy, CEO and President of Colmar Hotels. *"Whether traveling for business or leisure, our guests can expect top-notch amenities and first-class service at our newly renovated hotel."*

Colmar Hotels is committed to providing high-quality accommodations for business travelers, and the renovated Embassy Suites Valley Forge is the latest example of this commitment. The updated hotel will cater specifically to corporate guests, offering modern amenities and exceptional guest services, managed by the award winning management company, Synergy Hospitality Management.

"We have the pleasure of managing the Embassy Suites Valley Forge and bringing it into the 21st century," said Stephen Field, President of Synergy Hospitality Management. *"One of our top goals is to provide corporate guests with a comfortable and productive environment that will help them succeed on their business trips."*

A Taste of Texas Now Open In Valley Forge

Ownership went above and beyond a standard renovation with the last phase of the renovation, by bringing a taste of Texas to Valley Forge and opening Cool River, Restaurant and Tavern, a Texas originated concept known for its fine dining paired with high-energy bar service. Located in the heart of the hotel, Cool River offers guests and locals alike a unique dining experience with a menu featuring a fusion of classic and contemporary dishes. The talented culinary team brings a mouth-watering menu to the region, elevating dining expectations and providing travelers with an exceptional dining experience. The restaurant also features a full bar with a selection of local craft beers and an extensive wine list. In addition to its delicious food and drinks, Cool River boasts a stylish and inviting atmosphere for locals, guests and corporate diners.
